Zycus Supplier Network (ZSN) Portal: How to register an account

The **Zycus Supplier Network portal (ZSN)** allows suppliers to engage with V/line via a web-based portal. Before accessing the Zycus Supplier Network (ZSN) you must register an account and create a profile.

1. Register a ZSN account:

To register a ZSN account:

- Access the <u>ZSN registration link here</u>
- On the right side of the screen:
 - Enter your email address
 - Create a password
 - Accept terms & conditions
 - Select Register
- You will receive a one-time pin to activate your ZSN profile

Need help signing up? Watch the short video on the ZSN Registration page or contact V/Line at procurementsystems@vline.com.au.

V/Line

2. Complete your supplier account:

- Enter your company details and select Create
- Read the terms & conditions, click Continue
- Using the menu on the left side of the screen, enter additional company information and select **Submit**
- Your request will be sent to the V/Line vendor administration team to review and approve. Once approved, your potential V/Line supplier record has been created.
